Mumbai, INDIA.

Office area

Office area

**Brief:**

Tech Mahindra Ltd., formerly known as Mahindra British Telecom Ltd. is a global leader in providing end – to – end IT services and solutions to the telecom industry. In its quest to excel and expand Tech Mahindra proposed to set up a 'state of the art facility' in Chandivali, Mumbai.

**Location:**

Chandivali, Mumbai.

**Area:**

17,000sq.ft.

**Concept:**

The concept was to develop an ambience, which would provide an impetus for innovation to the software developers.

**Tech Mahindra's Outlook:**

In addition to the existing building, Tech Mahindra wanted to create a software development facility that would have its own identity and which would also emphasize on its new corporate identity.
