

## **Sankalpan unveils expansion plan**

Mumbai-based Sankalpan group, country's fastest growing integrated realty and premium infrastructure services provider, has unveiled its expansion plans in Chennai as well as across the country. Outlining the importance of Chennai to Sankalpan's scheme of things, Atin Kulkarni, vice chairman said, 'Having already executed more than 15 projects in Chennai, Sankalpan is ready for more. We have recently bagged \$2 million interior fit-out turnkey project for a leading Nasdaq listed IT major. We will be designing 700 seats facility at the SEZ that will have the latest imported furniture, fittings and finish, not to forget an interior design that matches the international standards with Sankalpan's touch all across.'
