

Sankalpan targets south to improve bottomline

Corporate Bureau

Chennai, March 17

After making strong inroads into Chennai market in recent years, Mumbai-based Sankalpan Infrastructure Private Limited, is in talks with more IT and ITES companies to consolidate its position further.

The company, which earned \$5 million revenue in its current fiscal, is targeting \$12 million to \$15 million during the next fiscal, said Ninad Randive, chairman—Sankalpan group.

Addressing the media here on Friday, he said the company has recently bagged a \$2 million turnkey project from a Nasdaq-listed company to design 700-seat facility at one of the SEZ near Chennai.
